

## Grandparents Day

On Thursday 28<sup>th</sup> October we invited our grandparents and special friends to come to see what activities we do while at kindergarten. We lead up to this by introducing the concept of family, then the children created their own family trees.

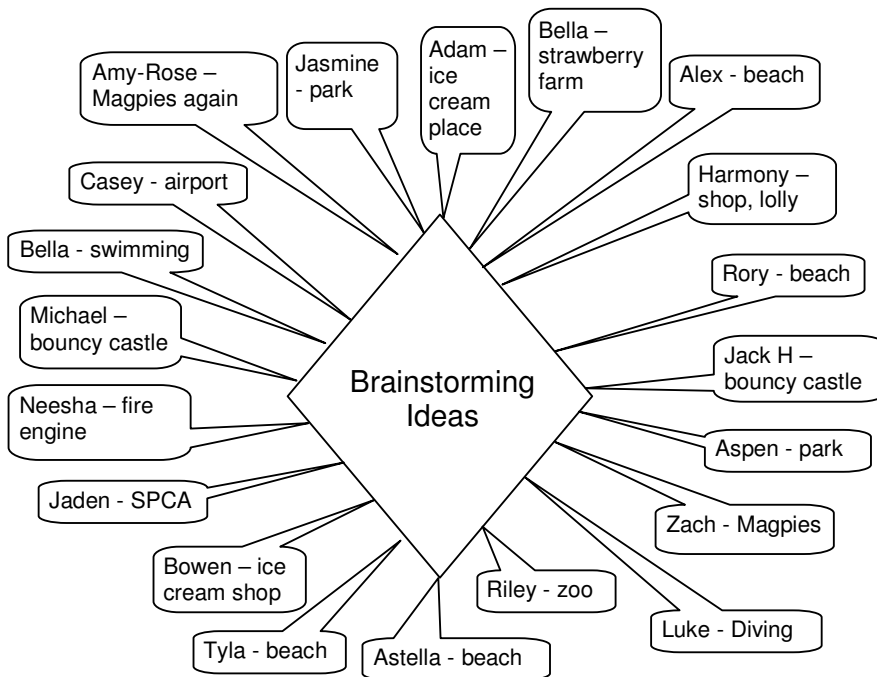

## Orange Day

We held Orange Day on Monday 8<sup>th</sup> November in support of the SCBU unit at Hastings Hospital. They were raising funds to buy a new Airway trolley. The idea of the day was to wear something orange and bring a gold coin donation. Thank you for supporting this. We raised \$80.

## Planned Trip

We had to cancel our planned trip to swap kindergartens, so we asked the children to think of ideas for a trip. This is what they came up with.

## Police Visit

We had Glen Yule and Jason Bryant to visit. They are two of the police that supported William through the Leukaemia/Child Cancer by raising funds. They came to show us their shaven heads. They also spoke about why they had done it and the amount of money everyone was able to raise. The children were allowed to get in the police car and play with the lights, siren and handcuffs.

## New Equipment

We have been spending. This time we have purchased a new animal shed and a traffic garage. The children were most excited and used both pieces well.

We have changed the rugby balls on the side playground construction to a fire pole. The children are enjoying this and for some it is a new process to learn. It's developing children's concepts of gross motor skills, confidence and spatial awareness.

## Dates to Watch
