# Nau mai haere mai

Welcome to Lucknow Kindergarten where:

- We give value to today as the richest time; Treasure the present.
- We give value to the image of the child as capable, competent, strong and empowered.
- We give value to individual learning; to listening to children's interests, ideas, questions, predictions, theories, research and self assessment.
- We give value to individual feelings, to warm responsive reciprocal relationships, to exploring social understandings and positive resolutions.
- We give value to exploring the sciences, maths and technologies; to exploring the arts, drama and music; to exploring language and literacy in three languages Te Reo Maori, English and Signing; to exploring physical challenges; gross motor and fine motor skill development. We give value to the beautiful natural environment, to environmentally sustainable practices.
- We give value to a bicultural partnership framed around Te Tiriti o Waitangi, and a tikanga that is respectful of all – past, present and future learners.
- We give value to the close Parent Partnership; to the whānau – they know the identity behind their child.

## Nurturing through nature.

Lucknow Kindergarten is part of the Heretaunga Kindergarten Association which has a proud history of providing quality early learning experiences.

Our stunning environments reflect the unique character of Aotearoa New Zealand with a focus on environmental sustainability. All our kindergartens are proud members of Enviroschools, committed to a long-term sustainability journey, where tamariki connect with and explore the environment.

All our kindergartens offer a play-based localised learning programme based on the Early Childhood Curriculum, Te Whāriki. As an association we honour our commitment to Te Tiriti o Waitangi.

# Every learning journey is unique.

Kindergarten is a place where tamariki learn through play, with and alongside others, building on the skills and knowledge they bring from their home environment.

Kaiako weave together the principles and strands of Te Whāriki in collaboration with tamariki, whānau and community to create a localised and individualised learning programme.

Every tamaiti will have their own profile book which will document their learning journey at kindergarten. Profile books belong to the tamaiti, they can take these home anytime, or you are welcome to read it at the kindergarten.

## How we communicate.

To develop and maintain close and respectful relationships, we have a number of ways to keep you informed of your child's progress. That includes daily chats about learning, meetings with the kaiako, whiteboard messages, newsletters, whānau notice board, website and Facebook.

Storypark is an online user-friendly tool we use to share learning and communicate between home and kindergarten. Support is available in learning how to use Storypark. You can download the free app on your phone.

# How you can be involved.

We welcome your involvement in kindergarten life and do everything we can to keep you connected.

First and foremost, we invite you to be part of the learning journey by talking with us, sharing what you know about your tamaiti and letting us know what aspirations you have for them. This supports us to develop a individualised plan. We continuously seek feedback on policy review and any significant developments for the kindergarten.

You are welcome and encouraged to spend time with us any time during our sessions, for as long as you like. We often require whānau helpers for excursions and appreciate support with this. We encourage you to share your talents or skills to support further learning for the tamariki.

# In the heart of your community.

At Heretaunga Kindergartens we have 100% qualified kaiako that go the extra mile to bring out the best in your tamariki.

We're an association of 16 Kindergartens across Flaxmere, Hastings, Havelock North and Central Hawke's Bay – all with a focus on quality education, sustainability and local partnerships.

We've been here since 1928 and we're here to stay, in outstanding environments that encourage learning and play.

We're your neighbours, your friends, your whānau and we're right where you need us, in the heart of the community.

Meet our qualified kaiako and find out more.
