**Right from the
start, we teach
from the heart.**

Nau mai haere mai.

Our environment offers many opportunities to explore and learn in a way that creates a sense of wonder and fun, while building lifelong relationships to treasure. Our programme emerges from the interests of the tamariki, viewing play as the finest form of learning. It is within their play that the tamariki develop essential skills, patterns of behaviour and attitudes towards themselves as learners. Our team of dedicated and experienced kaiako have a strong understanding of tamiti development and dispositional learning, working closely with whānau to strengthen how tamariki see themselves as learners.

Our Vision

Ko te ahurei o te tamaiti arahia o tatou mahi.
Let the uniqueness of the tamiti guide our work.

Our Philosophy

Mahora Kindergarten is held together with five Pou – each represents a core value that is woven into every part of the Mahora Kindergarten journey. Each Pou strengthens the other and ensures a quality early childhood experience for tamariki and whānau.

Whanuangātanga – Connected, sense of belonging, whānau.

Manaaki – Aroha, nurtured, supported.

Mauri – Independent, resilient, mindful.

Kaitiakitanga – Respectful, guardianship, protected.

Ako – To teach and learn.

Nurturing through nature.

Mahora Kindergarten is part of the Heretaunga Kindergarten Association which has a proud history of providing quality early learning experiences.

Our stunning environments reflect the unique character of Aotearoa New Zealand with a focus on environmental sustainability. All our kindergartens are proud members of Enviroschools, committed to a long-term sustainability journey, where tamariki connect with and explore the environment.

All our kindergartens offer a play-based localised learning programme based on the Early Childhood Curriculum, Te Whāriki. As an association we honour our commitment to Te Tiriti o Waitangi.

Every learning journey is unique.

Kindergarten is a place where tamariki learn through play, with and alongside others, building on the skills and knowledge they bring from their home environment.

Kaiako weave together the principles and strands of Te Whāriki in collaboration with tamariki, whānau and community to create a localised and individualised learning programme.

Every tamaiti will have their own profile book which will document their learning journey at kindergarten. Profile books belong to the tamaiti, they can take these home anytime, or you are welcome to read it at the kindergarten.

How we communicate.

To develop and maintain close and respectful relationships, we have a number of ways to keep you informed of your child's progress. That includes daily chats about learning, meetings with the kaiako, whiteboard messages, newsletters, whānau notice board, website and Facebook.

Storypark is an online user-friendly tool we use to share learning and communicate between home and kindergarten. Support is available in learning how to use Storypark. You can download the free app on your phone.

How you can be involved.

We welcome your involvement in kindergarten life and do everything we can to keep you connected.

First and foremost, we invite you to be part of the learning journey by talking with us, sharing what you know about your tamaiti and letting us know what aspirations you have for them. This supports us to develop a individualised plan. We continuously seek feedback on policy review and any significant developments for the kindergarten.

You are welcome and encouraged to spend time with us any time during our sessions, for as long as you like. We often require whānau helpers for excursions and appreciate support with this. We encourage you to share your talents or skills to support further learning for the tamariki.

In the heart of your community.

At Heretaunga Kindergartens we have 100% qualified kaiako that go the extra mile to bring out the best in your tamariki.

We're an association of 16 Kindergartens across Flaxmere, Hastings, Havelock North and Central Hawke's Bay – all with a focus on quality education, sustainability and local partnerships.

We've been here since 1928 and we're here to stay, in outstanding environments that encourage learning and play.

We're your neighbours, your friends, your whānau and we're right where you need us, in the heart of the community.
